

## **PS6U1UHE & PS6U1UPE** **Ethernet/USB Adapters**

### **“WIRED” ETHERNET CONNECTION**

- Increase efficiency and speed with a 10 mbps Ethernet connection
- Provides simple & reliable integration between mobile computers and widely deployed networking technology
- Performance advantage over wireless and modem
- Preferred solution for large data transfers
- Reduced security concerns as compared to wireless connectivity options

### **UNIVERSAL FORM-FACTOR**

- Connects to mobile computer via a USB “mini” A connector
- Can be used with numerous mobile computers acting as either “host” or “peripherals”
- Adapter supports many handhelds/PDAs, independent of shape and size
- Small size is highly portable

### **IMPROVE WORKFLOW & PRODUCTIVITY**

- Users can access and synchronize their data
- Access files, Local Area Networks (LANs) and the Internet
- Supports server synchronization software

### **MANAGEMENT & CONFIGURATION UTILITY**

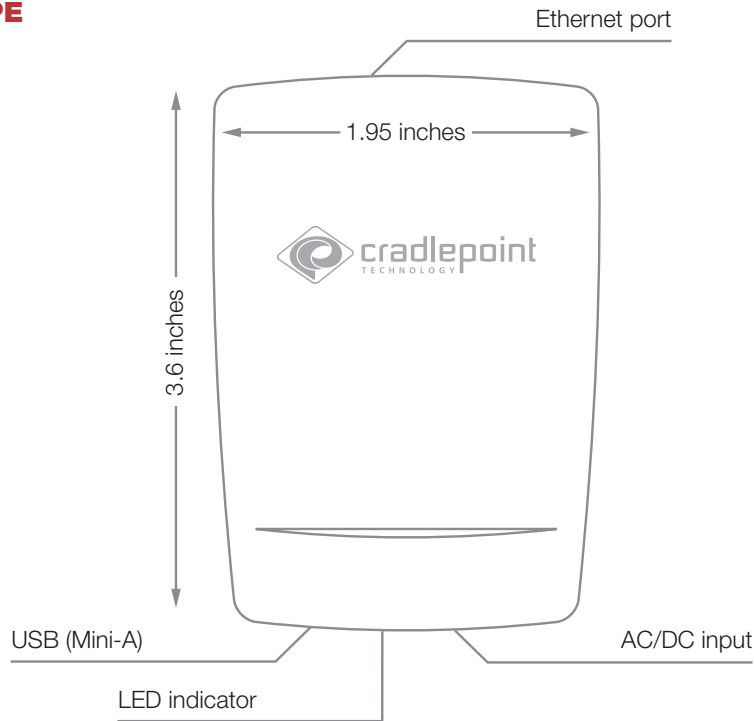

- Provides remote management of adapters on the network
- Simplifies setup and management

### **BUILT ON INDUSTRY STANDARDS**

- Operates as a USB “host”
- Supports most mobile computers which operate as a USB “peripheral”
- Seamless integration with existing network infrastructure
- Compatible with DHCP or Static IP Address assignment
- Minimize support, integration and hardware requirements PS6U1UHE
- Provides remote management of adapters on the network
- Simplifies setup and management

## PS6U1UHE & PS6U1UPE Ethernet/USB Adapters

### ETHERNET HOST ADAPTER

#### Power:

- Power adapter wall plug
  - 5V DC, 1.0 A power supply
  - 100—240V AC
- Universal plugs for use in USA, Canada and EU

Charging capability: No

Connectors: 1 RJ45 10BASE-T Ethernet port, 1 Mini-A USB 1.1 port, 1 power plug

Indicators / LEDs: Communication Status, Ethernet Link Status, Ethernet Connection Speed

Operating Temperature: 0°C to 40°C (32°F to 104°F)

Dimensions: 91mm x 59.5mm x 24mm (3.6" x 1.95" x 1")

Weight (empty): 0.06 kg (2.0 oz)

Certifications: FCC Part 15 Class B, CE, RoHS Directive 2002/95/EEC

#### Requirements:

- Compatible mobile computer or PDA
  - Includes many Palm, Symbol, Honeywell and Janam mobile computers. See [www.cradlepoint.com/support](http://www.cradlepoint.com/support) for current compatibility list
- USB cable (varies by application)
- 10 mbps Ethernet connection
- 100—140V AC power outlet

#### Package Contents:

(1) PS6U1UHE Ethernet Adapter, (1) 100-240V AC Adapter with interchangeable country plugs, (1) USB Cable, mini-A to mini-B (170373-000), Quick Connect Guide, Warranty registration card

#### Ordering information:

PS6U1UHE CradlePoint USB "Host" to Ethernet Adapter

### ETHERNET PERIPHERAL ADAPTER

#### Power:

- Not required in most instances
- Adapter draws power through USB connection
- For mobile computers not providing power over USB separate power adapter wall plug is needed:
  - 5V DC, 1.0
  - 100—240V AC
- Universal plugs for use in USA, Canada and EU

Charging capability: No

Connectors: 1 RJ45 10BASE-T Ethernet port, 1 Mini-A USB 1.1 port, 1 power plug

Indicators / LEDs: Communication Status, Ethernet Link Status, Ethernet Connection Speed

Operating Temperature: 0°C to 40°C (32°F to 104°F)

Dimensions: 91mm x 59.5mm x 24mm (3.6" x 1.95" x 1")

Weight (empty): 0.06 kg (2.0 oz)

Certifications: FCC Part 15 Class B, CE, RoHS Directive 2002/95/EEC

#### Requirements:

- Compatible mobile computer or PDA
- Includes several Symbol mobile computers. See [www.cradlepoint.com/support](http://www.cradlepoint.com/support) for current compatibility list
- USB cable (varies by application)
- 10 mbps or 10/100 Ethernet connection
- If mobile computers does not provide power over USB connection, then 100 – 140V AC power outlet is needed.

#### Package Contents:

(1) PS6U1UPE Ethernet Adapter, Quick Connect Guide, Warranty Registration Card

#### Ordering information:

PS6U1UPE CradlePoint USB "Peripheral" to Ethernet Adapter  
170140-000 5V DC, 1A power adapter with universal country plugs  
190087-000 USB type-A receptacle to Mini-B connector cable  
170373-000 USB Mini-A connector to Mini-B connector cable
